WHEELING, W. VA., APRIL 21, 1888.

I am for Cleveland, Free Trade and no Custom Houses .- Henry George. CONSTANT READER:- No, it is not

likely that the beer strike will brow any trouble.

are nearly all running.

Tax general public will be pained to learn that there will be no session of the Concord School of Philosophy this sum-ner. The whereloreness of why is not

THERE are a number of aspirants for the Presidency in this country who

Democratic Convention at St. Louis, possible that it will be full of surprises. June 5, and the Republican Convention Nothing is certain in these days of so at Chicago, June 19.

THE possibilities that were within the grasp of Roscoe Conkling were only equaled by his failures in public life, which his unbending nature and inordi-

At Hr., Worth

other women to lose their gloves. Cin-derella's affair tenches a healthful les-son, but the banker's freak savors strongly of the insane asylum. [11,1]

We would like to ask the Chicago Tribung to point out to us how the American farmer is oppressed by the duty on nails, inasmuch as that article figures in its list of oppressive duties on the agri-

the most public streets of Pittsburgh in broad daylight. Our esteemed contemporary is a bright and shining overof the truth of the homely phrase that "It depends on whose ox is gored."

Tus friends of Col. Aleck Campbell will be glad to know that the President has closen him for a service so acceptable to him, and for which he is so well qualified. His intimate relations with wool-growers, planters and manufac-

graph:
"I should be entitled to no respect or credit if I pretended that there is either a fair poll or count of the vast overflow of black votes in States where there is a negro majority, or that in the nature of things at present there can be."

Wanted-A President.

Among the many good things in the Ohio Republican platform was the ar-Ohio Ropublican platform was the arraignment of President Cleveland. One of the speakers in setting forth the qualifications of a President that will please the inajority of the people of this country—those who love America first, last and all the time, said:

They want a President who will never recommend legislation directly in the interest of people of foreign countries, against the interest of the people of his own country.

This is the exact size of it. Mr. Cleveland may be very well satisfied with

land may be very well satisfied with

himself, but the majority of his party are

not, however much they may do to conceal their real feelings. To favor free raw materials for such a manufacturing of appreciation of the necessities of this

naces; or, chimneys belching flame. The wayfaring men though a fool cannot err in this matter. The tariffs the err in this matter. thing wherein we'll catch the conscience

of the voter. Sherman's Candidacy,

Senator Sherman may now be said to be fairly launched on the Presidential ea, inasmuch as his own State has given him an unqualified and hearty endorsement. To steer clear of breakers and pour oil on troubled waters will, of course, be the chief aim of his pilots. There is something admirable in his candidacy, and that is (and was four years ago) his plain avowal that he is a candidate for the Republican nomina-tion. It is nothing more than the re-Norwithstanding the strike beer is acter of the man, and speaks volumes plenty at Chicago, and no fears of a for his honesty of purpose. He does famine are entertained. The broweries not hide his thoughts, but calmly adare nearly all running.

dresses himself to the thoughtful men

not his fame and reputation will suffer nothing if he is not made the standard bearer of the Republicans in this somethe Presidency in this country who bearer of the Republicans in this some would pay handsomely for the popularity with the people that Boularger enjoys in Fance.

The death of Dr. Agnew, one of America's most eminent physicians of ealls the long and heroic struggles of the martyr Garfield, to whom he devoted his skill fruitlessly.

One for the result of the Republicans in this some warm friends of Mr. Blaine in Ohio, who will no doubt be just as active in their support of the distinguished Senator; but the ardent supporters of Sherman that prevailed in the Ohio convention was in a great measure due to the refusal skill fruitlessly.

One for the republicans in this some definition of the fitted warm friends of Mr. Blaine to Ohio, who will no doubt be just as active in their supports of the distinguished Senator; but the ardent supporters of Sherman that prevailed in the Ohio convention was in a great measure due to the refusal of Mr. Blaine to allow his name to be least of the classics than merely to read some datout, then, after the common dashion in our schools.—Lee & Shepard, Blaine to lead the student, by a systematic course, into a knowledge of the classics of English literature. There are sketchessed the authors who have achieved the provided from and specimens of their writings. The liceupon which the book is based in the prevailed in the Ohio convention was in a great measure due to the refusal state to the student, by a systematic course, into a knowledge of the classics of English literature. There are sketchessed the authors who have achieved the provided from and specimens of their writings. The liceupon which the book is based in the order of the distinguished Senator; but the great are many to be a state of the classics than merely to read some course, into a knowledge of the classics of English literature. There are sketches the action to be a supporter of the distinguished Senator; but the classics of English literature. There are sketches to the classics of English literature. There are sketches One fare for the round trip has been used in connection with the Presidency. agreed upon by the railroads to the The convention is yet to meet, and it is much uncertainty.

A Card from Rev. M. F. Dryden. To the Editor of the Intelligencer: Sin:—There appeared in your col umns on the 20th an account of the diswhich his unbending nature and inordinate pride brought upon him.

Poon, old deluded lawyer Marsh has finally had his eyes opened to the wiles of Ann O'Delia Dis Debar, and his demunciation of her now is as strongstronger than his infatuation formerly was.

The apple crop promises abundantly in the West and Southwest, but not so well in the East this year. The strawberry crop wilk be the lightest fuctor between the facts as they are I offer this explanation: I invited Rev. Meching the factor of the afternoon of the 19th, and my know the facts as they are I offer this explanation: I invited Rev. Meching the factor of the afternoon of the 19th, between Rev. Father McElligott and my self. The writer of that article, whoever the was, has failed to give a fair statement of the ease, and that the public may know the facts as they are I offer this explanation: I invited Rev. Meching the factor of the afternoon of the 19th, between Rev. Father McElligott and my self. The writer of that article, whoever the was, has failed to give a fair statement of the case, and that the public may know the facts as they are I offer this explanation: I invited Rev. Meching Rev. Meching the ween Rev. Father McElligott and my self. The writer of that article, whoever the was, has failed to give a fair statement of the case, and that the public may know the facts as they are I offer this explanation: I invited Rev. Meching Rev. Meching the ween Rev. Father McElligott and my self. The writer of that article, whoever the was, has failed to give a fair statement of the case, and that the public may know the facts as they are I offer this explanation: I invited Rev. Meching the was, and the case, and that the public may know the facts as they are I offer this explanation: I invited Rev. Meching the was, and I shall be the was, and the case, and that the case, and that the case, and that the case, and that the case, and t cussion that took place at the Register

Some small ore contracts with the vessel owners are reported at Cleveland. At principles of the second seco

Some small ore contracts with the vessel owners are reported at Cleveland. At Chicago a contract for the transportation of 50,000 tons by lake has been made by the North Chicago Rolling Mill Company. The railroads are going to enter the lists as active competitors.

In the last day or two a large importation of Scotch grown potatoes have been marketed in Wheeling. They sell for \$1 per bushel as against \$1 10 for the home grown article. It is presumed the Scotch producer received about 25 cents per bushel for his share in them.

A Naw Yorks banker is advertising for a larly whose glove he found. He not only wants to know her, but is frantic to marry her. The imbeellity of this one man, however, should not encourage other women to lose their gloves. Cinderella's affair teaches a healthful lesserella's affair teaches a healthful lesserel

Tam waiting for his reply to my last article, and utiless he replies soon the public will hear from me again.

M. F. DRYDEN.

Wheeling, W. Va., April 20.

Greatest Dam in the Country.

San Dirgo, Cal., April 20.—The com-pletion of the great Sweet dam and National City water works was formerly its list of oppressive duties on the agriculturists of the country,
Would Wheeling nails self for one cent less if we had free trade with all the world in that commodify.

The Pittsburgh Commercial-Gazette pleased to refer in a flippant manner to a recent tragedy in this State, but preare traded in the state of the second tragedy in this State, but preare traded in the second of the reservoir is 750 acres. The cost of the dam was \$800,000.

Save the children. They are especially liable to sudden colds, coughs, croup, whooping cough, etc. We guarantee Acker's English Remedya positive cure, it saves hours of anxious watching. Sold by Logan & Co., C. R. Goetze, Charles Menkemiller, R. B. Burt and Bowle Bros.

Bismarck is reported sick. He is always ailing when the Prussian Diet disagrees with bim.

wool-growers, planters and manufacturers, his extended knowledge of the country and his intelligent zeal in behalf of all that is American, will make him one of the last equipped of all the commissioners at the Australian Exposition. Moreover, being in Australia, he will be out of mischief in this campaign year.

The returns are not all in as yet, but they show thus far about 65,000 Democratic majority (so-called) in Louisiana for the Democratic ticket. It is an appropriate time to take down a late number of the Forem and read from Henry Watterson's pen the following paragraph:

How Men Die.

If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surfedered becomes inevitable. In many instances the inherent strength of the tordered toward death. Many, however, have lost these forces to such an extent that there is little or no help. In other cases a little aid to the weakened lungs will make all the difference between sudden death and many years of useful life. Upon the first symptoms of cough, cold or any trouble of the throat or lungs, give that old and well known remedered becomes inevitable. In many instances the inherent strength of the outer cases a little aid to the weakened lungs will make all the difference between sudden death and many years or useful life. Upon the first symptoms of cough, color of any touble of the throat or lungs, give that old and well known remedered becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost these forces to such an other contents and the commissioners at the Australian Exposition. Moreover, being in Australia, he will make all the difference between sudden death and many years or useful life. Upon the first symptoms of the commissioners at the Australian Exposition Moreover, have lost these forces to such an other cases a little aid to the weakened lungs will make all the difference How Men Die.

BOOKS ON THE TABLE. An Entertaining Book of Travels-Thoughts for Teachers.

Mr. Curtis Guild, editor of the Boston

Commercial Bulletia, having produced

FOR RENT. to one who is going to cover the sun ground.—Lee & Shepherd, Boston. Stat ton & Darenport, Wheeling.

The series of "Classics for Home and School" has been enlarged by the addition of three taking little books, "The tion of three taking little books, "The Seven Little Sisters who Live on the Round Ball That Floats in the Air," by Jane Andrews, who has done so much good work in a similar line; "The Flower People," by Mrs. Horace Mann, a charming little book in which the flowers are allowed to tell all about themselves; and "A Kiss for a Blow," by H. C. Wright.—Lee & Sheppard, Boston. Stanton & Davenport, Wheeling.

In "Chips from a Teacher's Workcandidate for the Republican nomination. It is nothing more than the redicction of the public and private character of the man, and speaks volumes
for his honesty of purpose. He does
not hide his thoughts, but calmly addresses himself to the thoughtful men
of the country and asks them in a
straightforward, manly way for their
support.

Whether'tt will be the pleasure of the
convention to nominate Mr. Sherman or
not his fame and reputation will suffer of the fullness of his experience as good

British Authors," by Alfred F. Blais-
